And when it comes down to that,
what will you do?
Over-reliance on 'hi-tech' equipment can become a weakness.
A Vanguard's true weapon should be their bodies, or an extension of their bodies
Every clash during a battle is filled with a warrior's soul

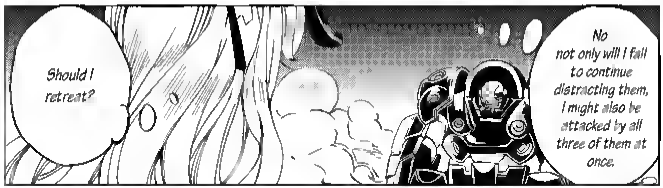
Ever since ancient times, great warriors who have transcended into a peerless realm have enjoyed this type of unfettered combat
Lu Li, you are going to be reborn here.
I will force you to forsake every thing from the past, and only through this can you become stronger
And then

Put on a show
Mission 21
ENEMY CONTACT
of truly marvelous combat.

Russian Federation Vanguard: Ivanov
I can't believe the opponent is only a little girl.
They call this a "problematic" obstacle?
HAHAHA...
YOU HAVE NO IDEA, IVANOV.
EVERY VANGUARD IN THIS COUNTRY IS A HOT BABE~
I DON'T KNOW THE REASON FOR THIS KINKY PRACTICE, BUT IT SUITS ME JUST FINE~ HEH HEH HEH~
North Atlantic Alliance Vanguard Berzerker

Japan Vanguard
Kyosato
I'm afraid it won't be that easy. Underestimating your enemy will only get you killed.
I haven't seen this model of Vanguard before. Judging from the combat, it seems quite powerful.
Male Vanguards... and three of them too
It's my first time fighting so many at once... and I've only fought one-on-one against a Vanguard twice...

The first was in an assassination mission when I was thirteen, and I ended up in a fight to the death with an unnamed Vanguard due to leaked intel
In the end not only did I fail the mission, but I also ended up seriously injured
The second being was the duel with Bai Hwa
Although I actually managed to gun her down in the end, it felt like I lost half the battle.



Should I retreat?
No not only will I fail to continue distracting them, I might also be attacked by all three of them at once.

Given these circumstances... I can only stay calm and fight
Hey~ Missy.

瓜大人

猫人：“这”的话，这小家伙不是该是新了呀，~~~

I thank you for the kind gesture, but...
I'll just have to do my best to defeat you guys.
Even if it only buys Ah-Xuan a minute more.
It's good to have confidence, girlie.
But you need more than confidence to fight three Vanguards at the same time.
Sorry, I don't do group fights.
?

小☆儿

坑爹啊 我这才看见要中稿 害得我天天都来看更新了没有

TO HELL WITH YOUR FUCKING BUSHIDO!
ALTHOUGH THIS IS A MISSION I DON'T HAVE ANY INTENTION OF WORKING TOGETHER WITH YOU GUYS.
THE SON OF EDEN IS MINE AND I AM GOING TO HAVE THIS WOMAN TOO
I WILL TORTURE YOU THOROUGHLY AND LET YOU EXPERIENCE PAIN AND PLEASURE
AND YOU WILL HOWL LIKE A BITCH IN HEAT EVERY DAY BEGGING ME TO DISCIPLINE YOU
AND, FINALLY I'LL LET THE SON OF EDEN KNEEL IN A CORNER AND ENJOY THE SHOW.
HA
HA
HA
HA

BAM
HA...
WILL LIU LI'S KICK PROVE TO BE A ONE-HIT FATALITY?
